

# The Frances Clark Center

The author of *"Beyond Talent: Creating a Successful Career in Music,"* Angela Myles Beeching is the former director of career and entrepreneurship programs at Manhattan School of Music, Indiana University, and New England Conservatory. Ms. Beeching teaches musicians how to get more of their best work out into the world. She maintains a [thriving online career coaching practice](#) helping musicians become the artists they are meant to be. Her guest speaking at festivals, conferences, and music schools has taken her to Oslo, Tokyo, London, Vienna, and Helsinki. The third edition of her book *Beyond Talent* was recently released. And you can find information on it and grab a copy of her 5 Step Start-up Guide at <http://AngelaBeeching.com>
